

# CHIPPER

## Model 600PTO

**Salsco, INC.**  
LEADER BY DESIGN

**MADE IN  
THE U.S.A.**

The Salsco Model 600 PTO Chipper is a **3-1/2" capacity gravity feed chipper**. Designed and engineered for doing heavy work, not just chipping a few small branches and mulching leaves. Legs are adjustable for height. The exhaust chute easily fits over the standard trash can or even a gallon container for easy debris removal. Heavy duty tubular steel frame, and all continuous welds; this unit will give the customer many years of service. **540PTO RPM recommended.**

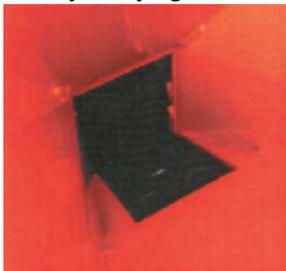

## Minimum 8HP @ the PTO!

The extra high 4-1/2" opening, by 3-1/2" wide, means less pruning of branchy, stringy material.

**40 lb., 13" diameter impeller is 1" thick**, and the four exhaust paddles are fully gusseted to provide years of use. All bearings are heavy duty, greaseable and self-centering. **There**

**are two (2) 3/8" oil hardened, chip blades.** The infeed hopper opening is wide and will accept bushy branches, gravity feed makes it easy to run material through the chipper disc.

The 600PTO utilizes a heavy duty cast iron pulley and V-Belt system with a 1-1/2" diameter shaft. This unit has a 1/2" thick steel, sharpenable, replaceable, and adjustable bed knife to provide consistent chip size and the ability to chip even the stringiest, brushiest materials.

## SPECIFICATIONS - MODEL 600PTO

<b>INFEED OPENING:</b>	3-1/2" x 4-1/4" at the infeed.
<b>FRAME:</b>	1/4" steel plate, bent and welded for extra strength.
<b>IMPELLER HOUSING:</b>	7 gauge steel, continuous welds.
<b>EXHAUST CHUTE:</b>	7 gauge steel, with exhaust deflector to channel exhaust into a 30-gallon debris container.
<b>INFEED CHUTE:</b>	7 gauge steel, continuous welds.
<b>LEGS:</b>	Height adjustable legs.
<b>IMPELLER:</b>	Fully balanced, 1" thick x 13" diameter steel impeller with four (4) welded and gusseted exhaust paddles. 40 lbs. (Approximately)
<b>CHIP BLADES:</b>	Two (2), 3/8" thick x 4-1/2" long x 1-3/4" wide, oil hardened steel.
<b>BED KNIFE:</b>	One (1), 1/2" thick x 3-1/2" wide x 6" long, replaceable, sharp-enable & adjustable.
<b>DRIVE SHAFT &amp; SHIELD:</b>	Drive shaft with shield, rated at 30HP @ 540 RPM.
<b>HITCH:</b>	3-Point Hitch, Category 1.
<b>BEARINGS:</b>	Two (2), both cast iron, flange mount, and greaseable.
<b>PULLEYS &amp; BELT:</b>	Two (2), cast iron pulleys, 1" I.D., single back V-Belt.
<b>GUARDS/DECALS:</b>	All moving parts guarded. Full set of safety decals.
<b>PAINT:</b>	Orange, polyester powder coat paint provides excellent outdoor weatherability and offers protection against ultraviolet discoloration. All parts painted separately.
<b>DIMENSIONS:</b>	Length: 3' 10"
	Width: 2' 4"
	Height: 3' 11"
	Weight: 324 lbs.
