

CHIPPER SHREDDER VACUUM Model 616 C.S.V.

Salsco, INC.
LEADER BY DESIGN

 **MADE IN
THE U.S.A.**

The Model 616CSV will process material in two different ways. **Chip it OR shred it!** Then distribute in three different ways. **Bag it, load it, OR recycle it!** The chipper hopper has a 4" round wood capacity. Put leaves, prunings & trimmings up to 1/2" in shredder hopper. **Choose chips OR shreds!** Bag shredded & chipped material for a clean operation. Heavy duty bag is 26" x 36" with a lockable draw string! **16HP Briggs & Stratton electric start engine**, Torflex axle, jack stand with castor wheel, safety chains and 2" ball coupler are all standard equipment.

Three Machines in One!

3/4" thick x 16" diameter impeller with 2 extra wide knife pockets for two (2) - **1/2" thick, double-sided**, reversible, sharpenable, **chip blades**. Flail assembly has four (4) hardened steel shafts with **twelve (12) flail blades**. Four (4) welded & gusseted exhaust paddles substantially increase air flow for exhaust of debris.

Chipper **infeed opening at the impeller is 4-1/8" x 6-5/16"**, and will easily accommodate up to **4" diameter round wood**. Bed knife is adjustable & sharpenable.

Optional 11 gauge bolt on accessories/tools storage tray comes in handy when towing the unit around the property. Keeps shears, clippers, etc. at hand when needed.
