Mold housing transfers right to left! Many styles of molds are available as standard (see back side of literature for samples) and special designed molds can be made. Nine wheels offer stability and ease of control. Unit comes standard with a 6” cast aguer. Pictured to the left is the Cobra Curber being loaded with the Salsco Side Dump Bucket a perfect companion for ease of loading.

Cobra’s oversize hopper is compatible with a standard size wheelbarrow! Unit can be steered and hand brake is standard to hold back unit on steep inclines.
