

# Towable Truckload Vacuum - Model # 736

 **MADE IN THE U.S.A**

360 Degree Exhaust easily adjusts to direct the exhaust. Height extensions available to suit your particular operation.

## Incredible vacuuming power and material reduction !

Heavy duty impeller with 8-notched paddles to reduce material. Shredder

wires inside the impeller housing pass through the notches and will shred material up to 30%, depending on materials being vacuumed. Produces approximately 5,000 CFM's.

*Quality of Workmanship, Innovative Design, Built to Last!*
